Loyal V. Sittler, Charles E. Alvers Die in Accidents

Separate Auto Crashes Also Injure Four Others on Tuesday Night

The Rev. Loyal V. Sittler, 54, Waukegan, former minister of the Antioch Methodist church, and Charles E. Alvers, 42, of Rte. 173, of this village, proprietor of the State Line service station on Rte. 21, were killed in separate auto crashes during a rain storm Tuesday night.

Mrs. Bernice Sittler, wife of the Waukegan pastor of the Yorkhouse Methodist church, was injured in the accident that took her husband's life, and Elmer Hawkins, 25, of 619 Main st., and Ernie Gossell, also of this village were injured in the crash that killed Alvers.

The Rev. Mr. Sittler died shortly after his eastbound car ran head on into the car driven by Leland Kortemeier, 40, Woodstock insurance agent east of Woodstock at 7:30 p. m. Both drivers blinded by rain had their cars across the center line of the highway.

Mrs. Sittler was taken to a Woodstock hospital suffering from a broken leg. She and her husband were going home from Marengo, Ill., where they had taken her mother to meet and visit relatives.

Mr. Sittler was born in Oregon, Ill., Mar. 26, 1894, and served Methodist churches in Plainfield, Ill., and Antioch before going to Waukegan 12 years ago. He supplemented his preaching with work as teller at the First National Bank in Waukegan. He has been a Boy Scout leader since 1915 and was chaplain of the Oak Park council.

Surviving are the wife and two daughters, Mrs. Gwendolyn Hansen of Antioch; and Mrs. Delores Irish of Gurnee; his mother, Mrs. Delores Sittler, of Oregon, Ill., a sister and two brothers.

The body was brought to the Strang funeral home to be viewed by friends yesterday and today and then taken to 408 N. Sheridan rd., Waukegan. The funeral will be at 2 p. m. Friday at the Yorkhouse church on Green Bay road, with the Rev. Milton Bayly, of Rockford, and Rev. H. A. Tavenner, of Woodstock, officiating and burial will be in Hillside cemetery here.

Alvers died instantly when his car failed to make a turn on a slippery road at Rtes 43 and 75 near Kansasville. Hawkins, employed at the Sponge on Rte. 21 and Gossell, a carpenter, were treated for cuts at St. Catherine's hospital, Kenosha, and released.

Mr. Alvers was a life long resident of Antioch and well known here. He had operated the State Line Service station since 1929.

Surviving are his wife, Eva Virginia Alvers, a daughter, Joan; his mother, Mrs. Caroline A. Alvers, Antioch; and a brother, Robert, of Harvey, Ill.

The funeral service will be held at 2 p. m. Saturday in the Strang chapel with burial at Hosmer Cemetery. Friends may call until the time of the service.

Jim McMillen to Help Instruct in Wrestling At Round Lake Park

Wrestlers and students of wrestling have their opportunity to get valuable instruction and try out at the Lake County stadium in Round Lake Park shortly. Under the direction of Jim McMillen, former University of Illinois star and one of the great wrestlers of the nation and Fred Kohler, who is one of the leading promoters of the wrestling world will teach the boys and place them on the cards that are staged Friday nights in the Lake County stadium.

Local wrestlers of the Lakes area and towns of Antioch, Waukegan, Fox Lake, Libertyville, Grayslake and other surrounding towns can be candidates to learn under the tutelage of McMillen.

If you care to wrestle you will be tested and given every consideration at the Lake County stadium in Round Lake Park. You will be given careful consideration and no novice will be overmatched and every precaution will be taken to avoid injury. This offer is open to boys and men over 16 years of age.

Jim McMillen has trained thousands of sailors and other athletes in his brilliant career. See him at Round Lake Park or see Mr. Kohler Friday nights.

McHenry County Has War On Slot Machines and Other Gambling Devices

Raids by Sheriff Fred Bau and his deputies on nine places in McHenry county brought a quick death to slot machines and other gaming devices in McHenry county last week.

Machines were confiscated at the Lily Pond, on Rte. 14 between Woodstock and Crystal Lake; Quinn's Inn, Rte. 176; Margaret Porten, Rte. 3 McHenry; Henry Kranz and Herbert Huppertz, Rte. 31 at the Y and Wally's Inn, McHenry.

The raid followed orders from Attorney General Ivan Elliott to the sheriff's office to remove gambling from taverns else state licenses will be revoked.

Large Class Will Be Initiated by Moose at Meeting on Wednesday

Ninety-eight applications have been received for the next initiation of the Moose lodge which will be held Wednesday evening, June 22, at the Masonic temple, Lester Hybarger, governor, said.

A degree team from Waukegan will conduct the initiation.

Gov. Hybarger and Peter Vanderkloot attended the Illinois day celebration of the lodge last Sunday at Mooseheart. Vanderkloot was one of 5,000 candidates initiated there on that day. They estimated that 30,000 persons visited the Moose shrine there Sunday.

The fact that many Antioch members had to work kept the attendance from here at a minimum.

Elmer Hunter Will Open Garage and Lunch Room In New Building on 173

Elmer Hunter of Harden st., has started construction of a combination garage and lunch room building on the north side of Rte. 173 east of the Soo line tracks and expects to be ready for business in the next six weeks.

He will operate a filling station, using Midwest Continental oil products, a grease and wash rack and will do general automobile repairing the same as he did at his station at 970 Main street until recently.

The building made of cement block will be 40 by 80 feet in size. Mrs. Hunter will be in charge of the lunch room.

The Hunters recently purchased the ground on which the building will be located and the tract includes 14 acres.

New Park Diamond to Be Used for First Time Sun. Afternoon

The new baseball diamond at the village park on E. Ida ave., will be in public use for the first time Sunday when the American Legion team will be host to the Griess-Pfleger team from Waukegan.

The grounds have been placed in good condition by the Lions club which is encouraging sports in the village. A committee composed of Lions representatives, the American Legion and Veterans of Foreign Wars will plan the use of the diamond, but when a regularly scheduled game or practice is not in progress the youth of the village may use it.

President George B. Bartlett will be given the opportunity of tossing the first ball at Sunday's game if he has recovered from his present illness.

The visiting team is made up of colored boys who play a fast brand of ball. Ed Olsen will be on the mound for Antioch hoping for a better break than last Sunday when he lost to Mundelein 5 to 2 although he gave only six hits and fanned 22 men. Weak hitting and errors lost the game for Antioch.

Tom Poulos had a complete day at bat for Antioch, however, getting two hits, one of which was a home run.

Sunday's game will start at 2:30 p. m. and a large crowd is expected.

Deadline on Bonus Nears

Only 15 days are left in which veterans may apply for their state bonus. Dr. L. J. Zimmerman is in charge of the work in aiding veterans in making their applications in this village.

Village Appropriation Is \$61,469 for Year, Bartlett Picks Committees

Cunningham Returns to Bd. Through Appointment in Special Meeting

An ordinance appropriating \$61,469 for maintenance of village government and services was passed in a special meeting of the village board of trustees last Friday evening.

The appropriation this time provides \$1,000 for maintenance of parks and playgrounds with the plan of developing the park east of the village.

The ordinance itself and the specific appropriations may be found on page 11.

President George B. Bartlett after appointing Merrill Cunningham to his former position as trustee announced the following committee appointments:

Licenses—Arthur Rosenfeldt, chairman, Merrill Cunningham and Edgar Simonsen.

Street and lighting—Cunningham, Carl A. Wolfenbarger, and James Maplethorpe.

Water, Arthur H. Hawkins, Maplethorpe and Wolfenbarger.

Financing and auditing—Rosenfeldt, Simonsen and Cunningham.

Printing and publishing—Wolfenbarger, Hawkins and Maplethorpe.

Purchasing—Members of committee for departments.

Public buildings—Rosenfeldt, Simonsen, Hawkins.

Salaries—Hawkins, Rosenfeldt, Maplethorpe.

Dr. R. D. Williams was named health officer; Edward C. Jacobs, village attorney; Arthur Rosenfeldt, plumbing inspector; James McMillen, fire chief; Walter Scott, building commissioner and superintendent of water and sewer service; Walter Delaney, water tapper; William Thieman, street superintendent; S. E. Burnett, patrolman. Fred Peterson is the chief of police, but recently has been ill.

Welterweight Fight Heads Amateur Card At Round Lake Park

Another all star amateur boxing and wrestling show will be staged Friday night, June 17, in the Lake County Stadium in Round Lake Park. The show is being staged by the Round Lake Park Business Men's club with Lou Orr as matchmaker and Fred Kohler, of the Round Lake Park Business Men's club directing the proceedings.

Heading the sensational boxing bouts will be Victor Jameson, of Fort Sheridan meeting Bob Vignelli, Lake Zurich welterweight. This pair of crowd pleasers are two of the leading boxers of the Lakes area.

In another match on the show Oscar Serman meets Don Walker, of Long Lake, and former Grant High school star. Serman is from Waukegan. Still another two fisted match features Don Hendee, of Round Lake facing Blue Cloud, colorful Fort Sheridan boxer.

Bill Koch, of Grass Lake faces Al Willis of Fort Sheridan and Bob Miller of Fort Sheridan meets Bob Beckner of the Great Lakes.

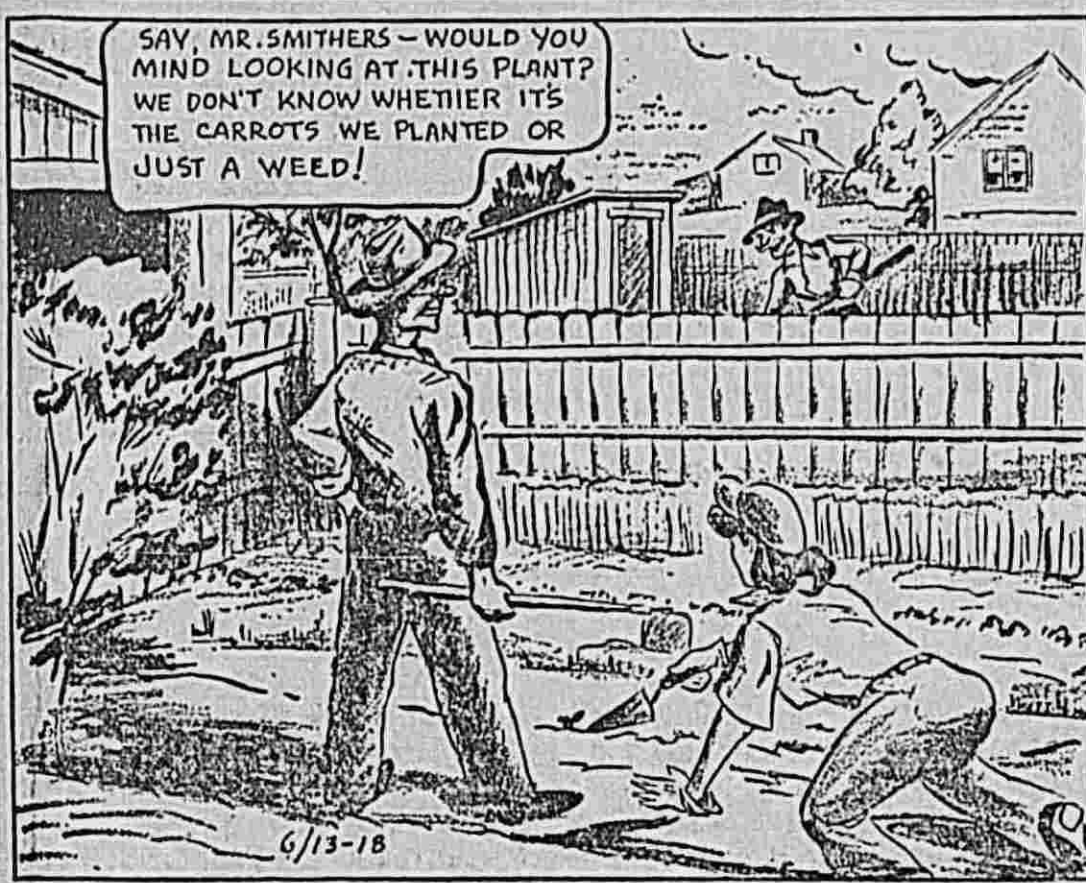

All these boys are top stars of the Lakes area and action is sure to be produced by them. There will be wrestling with the leading amateurs of the territory facing each other.

Scout Home Open House Last Sunday Attended by 100

Perfect weather greeted residents of the community at the First Annual Open House, held Sunday afternoon by the Board of Directors of the Antioch Scout Home. About 100 persons were present to inspect the building and see the handiwork which has been accomplished by the youngsters of the region.

Plans for a drive to obtain funds for the maintenance of the Home are now in the making, according to Dr. D. N. Deering, a member of the Board. Just what form the drive will take has not been decided, but a sum of money sufficient to operate the home for the coming year will be the goal.

Great Moments of Indecision

Thousands to Attend Sports-Home Exhibit at Lake Villa Next Week; 100 Displays, Free Acts. Attract

Day, Night Entertainment On Big Scale Arranged By COL Council

Thousands are expected to attend the first annual Chain O' Lakes Sports and Home show at Lake Villa starting Monday and lasting until Sunday night, June 26.

Twenty-one acres of ground including the new Sherwood park on the south side of Grand ave., will be used to stage what is believed to be the biggest exhibition of its kind ever assembled in Lake County.

One hundred exhibitors will display their products used in sports or in the home. All will be under tent.

There will be a big amusement midway with concession booths of all kinds. A picnic grounds will permit people to bring their picnic dinners and eat in the shade of a grove. There will be opportunity to buy box lunches.

Free parking space watched over by professional police will be available and there will be plenty of clean restrooms.

Here are some of the features:

Free open air theatre shown nightly with six big acts, Fearless Forest, the Ranch Boys, Bud Carlett and Rose, home talent acts, "Red" Blanchard of radio station WLS will be master of ceremonies.

Free added exhibition attractions Horseshoe pitching featuring John Lindmeier, Illinois state champion, former national amateur champion present midwest open tournament. He lives in Maywood.

Wonder Dog, Barrington High school dance club, professional fish casting exhibition. Free dancing nightly to the music of Ray Paulson's orchestra of Waukegan.

There will also be picnic grounds refreshments and eating stands, etc. The Cardinal Bus Line will furnish transportation to the grounds.

The following dedication programs for each day will be presented: Monday, June 20, Civic day; Tuesday, Veterans' Day; Wednesday, Farm and Home Day; Thursday, Industry Day; Friday, Sportsmen's Day; Saturday, Labor Day; Sunday, Governor's Day when Gov. Adlai Stevenson is expected.

Mrs. Caroline Kimball, Resident of Lake Villa, Dies Following Stroke

Mrs. Caroline Kimball, an elderly resident of Lake Villa, died Tuesday morning at St. Therese hospital in Waukegan. She suffered a stroke Monday evening and was taken to the hospital by the Antioch Rescue squad. Her death occurred the following morning.

Mrs. Kimball and her husband, Marshall Kimball have been residents of Lake Villa but a few years, coming there from Elmhurst. Several children survive.

The body was taken to the funeral home at 134 S. York St., Elmhurst, where the funeral service was held. Burial was in Forest Home cemetery, Forest Park.

Henry L. Otto, 63, Dies Following Short Illness; Resided at Grass Lake

Henry L. Otto, 63, of Grass lake died at 1:30 p. m. Monday at the Lake County General hospital, Waukegan, as the result of strangulated hernia.

When he became critically ill Monday he was rushed to the hospital by the Antioch rescue squad but death occurred before surgical relief could be given.

Mr. Otto was born in Chicago and moved to Grass lake 25 years ago. He worked as a gardener selling bulbs, plants and seeds for many years.

Surviving are a son, Fred, of Evanston, a daughter, Mrs. Gloria Tunderlage, Lockport, N. Y.; four brothers, Ernest, Waukegan; Carl, Evanston, William, Chicago, and Fred of Barrington; a sister, Mrs. Lane Hutchinson, Chicago, and four grandchildren.

The funeral service was held today.

Antioch Lions Club to Supervise Dedication Of Grass Lake Bridge

New Structure to Go Into Use July 1, Cost is About \$330,000

The Antioch Lions club has been given the privilege of arranging and conducting the dedication service at the opening of the new \$330,000 Grass lake bridge July 1.

William Brook, president, said that an invitation list to Illinois dignitaries will be prepared later in the week and that the program will be completed some time next week.

Serving on the committee are Dan Boyer, chairman; William Rosing, James Horan and Harry Krueger.

Supervisor Rosing said that the bridge has been completed and only the grading and graveling of the approaches remains.

The new steel superstructure and cement deck is the result of years of planning in making a shortcut through the Chain O' Lakes region. Fourteen miles are eliminated in travel from the Grass lake rd., east side to the state park road on the west side.

The new bridge now completes a loop of parks with Chicago. There is now a direct road between Dunes park and the state park on the west side of the channel which is being opened to the public as a place of recreation. Until recently it was closed to all but a few selected hunters.

Lake county's expense will be \$80,000. The federal government paid \$165,000 and the state of Illinois the remaining quarter.

Three Auto Accident Victims Treated, Aided By Antioch Men Sunday

Two automobile accident victims were treated by Antioch physicians over the weekend, and a third was aided by the Rescue squad.

Fred Hartman, 55, of Petite Lake, was treated for bruises and scratches about the legs and body by Dr. A. N. Berke after he was struck by a car driven by Edward Williams, 1832 N. Orchard ave., Chicago, as he walked along Petite lake rd. Sunday.

Williams said that Hartman tried to scramble up the embankment out of the way of the car but slipped and fell under it.

Connie Bolton, 16, of 6341 N. Nokomis ave., Chicago, suffered leg and thigh cuts and a sprained wrist when the car in which she was riding with George J. Mazaroskos, 1638 N. Karlon ave., Chicago, ran into a fence on Depot st., here shortly after midnight Sunday.

Mazaroskos driving west on Depot st., missed a curve and skidded off the road, tearing down 60 feet of wire fence belonging to Albert Browning. Miss Bolton was given emergency treatment by Dr. Irving L. Breakstone.

The Antioch Rescue squad gave assistance in taking Leo Hogan, 46, of Marinette, Wis., to St. Therese hospital Sunday after he was struck by a car driven by Carl Iverson, 906 Melvin Ave., Racine, Wis., on Rte. 41 near the state line. Iverson said he did not see Hogan, but saw several cars ahead of him swerve. Hogan suffered a fracture of the left leg.

Antioch Methodists to Attend Conference at Waukegan Next Week

Choir Will Join 200 Other Singers in Opening Night Program

Final preparations are being completed for the 110th annual session of the Methodist Rock River Conference which will be held this year in Waukegan starting next Wednesday and continuing until Sunday.

The Rock River Conference is one of the largest of the more than 100 conferences in the United States. It includes 386 charges and represents 155,637 Methodists in Northern Illinois. This is the first time that the conference has been held in this area since 1858.

The lay delegate of the Antioch Methodist church is Roy Kufalk who will be in attendance at the Waukegan meeting. The alternate

Confounding The Critics

"One of the difficulties we have in keeping up with and appraising the petroleum industry is the rapidly with which it, like all dynamic forces in our nation, can change and thus confound its analysts and its critics," said an official of a leading oil company the other day. "Because there were 'spot shortages' in fuel oil supply in the winter of 1947, a school of thought grew up in Washington to the effect that some sort of 'controls' ought to be exercised over petroleum as a 'scarce material'. However, before the professors and legislative counsels could get a good start on their bills for the 81st Congress, the supply situation changed from one of scarcity to one of surplus. Instead of crude shortages and product shortages we have state governmental restrictions on crude production and industry restriction of refinery runs."

This is a good example of the absurdity of the idea that we can fix any difficulty, real or imaginary, through laws and regulations and controls. A year or so ago, practically every government official who had anything to say about the matter forecast a serious oil shortage. But it didn't occur, even though demand kept on running at high levels. The reason it didn't, is found in the industry's capacity to do the near impossible. Crude production was stepped up. Refinery and distribution facilities performed maximum duty. The oil went out to the consuming centers.

This spectacular achievement by the oil industry should be remembered if and when we hear more talk of possible shortages. The whole record of free enterprise is one of peak performance whether conditions are favorable or otherwise.

Trouble For The Smaller Towns

It is doubtful if the public fully realizes the dangers in the proposed measure to establish a national minimum wage of 75 cents an hour for a 40-

hour maximum week. One student of the problem summed it up in these words: "The bill would establish a single nation-wide floor under the wage structure of the United States. A low floor is one thing. A high floor is another."

"When you have a low floor, you still leave primary control to local competition. When you have a high floor, you virtually eliminate the opportunity for increasing the effect of competition and thus increase the rigidity of the whole local system of business. This effect would be particularly serious in the small town and the local community." He then pointed out that when we change the wage structure we also change the cost structure, and so the cost of living in little towns would approach the high level of New York, San Francisco and other metropolises.

The proposed new bill, as introduced in the House, contains no exceptions of importance—enterprise, large or small, no matter where located, would come under it. The existing measure contains, for logical reasons, certain exceptions. One of these is retail business. Retail stores, by their nature, offer many employment opportunities for beginners and other unskilled workers. But the average retailer could not employ these people if the wage rate were set too high. He would, of necessity, have to seek ways and means to get by with a smaller payroll. And so there would be fewer jobs.

In a country of this size and variety the proposed new law would be a disruptive influence.

The Low Down From Hickory Grove

This Senator Cain—from out there in the land skookum salmon, red raspberries, Dungeness crab, and tall firs—is showing signs of having something on the ball. Like young Lochinvar who came out of the west and rode off with the sweet little bride, this Cain person has the know-how. Haul out your Sir Walter Scott if you are rusty on how Lochinvar did the trick.

But back to Cain. This Nation has had so much fumbling, spending and guzzling of Kickapoo cures when all we needed in the first place was to dust off and oil up the same old machine that brought the U. S. A. so far so well. This boy Cain knows how to get in his licks. He showed that when he unlimbered his trusty sword and removed the scalp of the ex-Governor of his own home State, who was up for a fancy Bureau job—but didn't get it.

This country is so tired of what we have had so much of for so long, that this new economy-minded Lochinvar comes as a refreshing change. The fellow must have a strain of Scotch—and that, above all, is one thing we have had too little of for lo, many years, there on the wide Potomac. And Sir Walter, if you still are not sure—he was a Scotsman his ownself.

Yours with the low down,
JO SERRA

WILMOT

Florence McDougall attended a banquet at Bristol Saturday evening in honor of Albertine Sorenson.

Mrs. Lizzie Grulick and Janice, of Salem, spent Sunday with the Pagels.

Mr. and Mrs. Russell Elwood and family, Mr. and Mrs. Don Herrick and son, of Oak Park, were Sunday guests of Florence McDougall.

Mr. and Mrs. George Higgins were Sunday dinner guests of Mr. and Mrs. Howard Higgins, of Kenosha.

Mr. and Mrs. Hubert Miller are moving to their home at Honey Creek from the George Higgins flat.

Iva Kimball is spending a indefinite stay at the home of Mr. and Mrs. Frank Toynton, of Genoa City.

Glen Rasch spent the past two weeks with Mr. and Mrs. Ted Leitling of Palmyra, Wis. Melvin Rasch spent the past ten days with Mr. and Mrs. Walter Rasch, of Slades Corners.

Mr. and Mrs. Elmer Rasch and Shirley spent Sunday with Mr. and Mrs. Ted Leitling in honor of their twenty-fifth wedding anniversary. Glen and Melvin returned with their folks.

Wilmot American Legion baseball team defeated Silver Lake 8 to 6 Sunday at the Silver Lake Park. Batteries were Bierdz, pitcher, Roberts catcher for Silver Lake. Richards, pitcher, J. Schnurr and Gandt catchers for Wilmot.

A Past Masters dinner will be held in the High school Saturday evening for the Masons and their wives.

Mr. and Mrs. Thomas Sloan and family, of Chicago, spent Sunday evening with Mr. and Mrs. Roger Sherman.

Mr. and Mrs. Arthur Holtdorf and Mrs. Elsie Dean, of Silver Lake, called Sunday at the home of Mr. and Mrs. F. A. Kruckman.

Eda and Rose Bufton, of Kenosha, were Sunday guests of Grace and Erminie Carey.

Mr. and Mrs. Harvey Brown accompanied a group of friends from McHenry on a picnic to White Pine, Ill. Sunday.

Mr. and Mrs. Clyde Cates attended the silver wedding of Mr. and Mrs. Ted Leitling, Jr., of Palmyra, Wis. Sunday.

Terry and Wilbur Pollack, of Beloit, are spending their summer vacation with Nellie Hasselman.

Mr. and Mrs. Wm. Stoffel and family, Henry Stoffel and friend, Mr. and Mrs. Anton Senkerik and family, of Chicago, spent Sunday with Mr. and Mrs. John Ehler.

Mrs. Hattie Ruth, of Harrison, Ill., Mr. and Mrs. Bert Smith, Edward and Jimmy, of Avalon, Wis., Mr. and Mrs. Lawrence Davis and Diane of Bristol, Mr. and Mrs. Wilbur Pollack and sons, of Beloit, Mr. and Mrs. Vivian Holtdorf, of Silver Lake, spent Sunday at the George Hasselman home.

Mr. and Mrs. Dan McCallum entertained twenty-five friends of Abbotts Laboratory for a picnic Sunday.

Mrs. C. D. McCallum entertained

her bridge club Tuesday evening. Mr. and Mrs. Winn Petersen and Merlin returned Sunday from a weeks fishing trip to Land O' Lakes Wis. They also visited Rev. and Mrs. Ernest Kistler, of Antigo and the Sherfs, of Withee, Wis.

Mr. and Mrs. Melvin Wertz, of Chicago, accompanied Mr. and Mrs. William Wertz, to Fond du Lac for the weekend. Mr. Melvin Wertz is staying a week with his folks, his wife returned to Chicago Monday.

Mr. and Mrs. Wm. Maxey, of Polo, Ill., Mr. and Mrs. Wm. Maxey, of Evanston, Mr. and Mrs. Al Van De Walker and son, of Crystal Lake, Mr. and Mrs. Floyd Memler and family and Mr. and Mrs. Henry Vincent held a family reunion at Fox River Park Sunday.

Mr. and Mrs. Frank Farm, of Bristol, spent Sunday with Mr. and Mrs. John Rausch, Jr.

Mr. and Mrs. Roy Blood and daughter, Bertie and family, of Lake Geneva called at the home of Mr. and Mrs. Ray Bufton Sunday. Phyllis Richards, of Bristol weds Frank Kriska, Jr.

After a two weeks wedding trip to Colorado, Mr. and Mrs. Frank Kriska, Jr., will make their home at Wilmot, where the groom is connected with his father in business.

Mr. Kriska is the former Phyllis Marilyn Richards, daughter of Mrs. Laura Richards, of Bristol and Mr. Kriska is the son of Mr. and Mrs. Frank Kriska, Sr., of Wilmot.

The two were married on Thursday, June 9, at 3 p. m. at the rectory of Holy Name church at Wilmot in a ceremony conducted by the Rev. Harold O'Connor. Relatives and friends witnessed the ceremony.

For the occasion the bride wore a dusty rose ensemble with navy accessories, and a corsage of stefonitis combined with corn flowers (blue). George Richards gave her in marriage. Miss Jean Kriska, a cousin of the groom was maid of honor, wearing a pastel blue suit, white accessories and a corsage of pink carnations. Charles Kriska was best man for his cousin.

A wedding supper was held at the home of the grooms parents. Both are graduates of Wilmot High school and the bride formerly worked at the Nash plant. Relatives came from San Diego, Calif., Seattle, Washington, Berwyn and Chicago.

Steady Decline Seen In Number of Persons Reported as Missing

NEW YORK.—The post-war years have seen a steady decline in the number of persons reported missing to the police, acting Capt. John J. Cronin, in charge of the missing persons bureau, said in his 1948 report to Chief of Detectives George P. Mitchell.

The bureau handled 23,516 cases of all types last year. Of these, 15,196 were hospital cases involving victims of aphasia, amnesia, fainting spells and other temporary ailments, all of which were cleaned up, Captain Cronin said. The overall total in 1947 was 27,158.

The number of adults and children reported missing from home was 6,317 as compared with 7,076 in 1947, a drop of 759. Of this total, 433 were boys and 316 girls, with the average age of the juveniles 15 years.

The youngsters eventually picked up by the police and interviewed by the juvenile aid bureau of the police department offered a variety of reasons for leaving home. Some said they skipped because they just "didn't like school," others, that they had an unhappy home life. More adventurous spirits had "a desire to see the world."

Where investigation by juvenile

aid bureau discloses objectionable home environment and mistreatment of the children, the cases are docketed for the children's court and whenever possible better homes are found for them. The bureau's report shows that a number of internationally-publicized cases involving well-known figures of a decade or more ago are still being kept "open." These cases are carried because it is a rule of the bureau that until positive identification is established there is always the possibility that a person reported missing may still be alive.

Fibrinogen

Your blood contains a needle to help sew up wounds. It is fibrinogen, a plasma protein. It is long and thin, shaped much like a needle. Fibrinogen is just one of many chemical substances involved in the intricate and delicately balanced system by which blood clots are formed. It reacts with another chemical, thrombin, to form fibrin, the web-like matting in blood clots that stops bleeding.

'Punitive Expedition'

Emperor Kublai Khan of China sent a 1,000-ship fleet and an army of 200,000 to punish a local ruler of Java in 1293. Kublai's ambassador had been sent home with ears and nose cut off.

"Where you buy with confidence"

SALEM

Mr. and Mrs. Alfred Schmidt and children have returned from a two weeks trip by train from San Diego, Calif. While there they visited relatives of Mrs. Schmidt's.

Mr. and Mrs. Lester Dix and daughter, Judith Ann left Sunday for the Black Hills and other places of interest in the West.

Mrs. Robert Youngman and two daughters from Eau Claire, Wis., are spending some time at the home of Mrs. Charlotte Bloss. While here they are making frequent trips to Burlington hospital, where Mr. Youngman is a patient. Mr. Youngman had the misfortune to fall 22 ft. while working at the Bloss Sand and Gravel pit, where he is employed. He suffered a fractured elbow and also skull fracture.

Mr. and Mrs. Byron Patrick spent Sunday afternoon at the home of Mr. and Mrs. Tony Fredson, of Grayslake.

Mr. and Mrs. Robert Emrie and Mr. Frank Johnson entertained relatives from Elgin and Lake Mills Sunday.

Robert Manning, of Fort Knox, Ky., spent the weekend with his parents, Mr. and Mrs. E. T. Man-

ning at the home of Mr. and Mrs. Emerald Schultz.

Mr. and Mrs. Herman Mekow and family, of Milwaukee, spent Sunday with Mr. and Mrs. Alfred Schmidt and family.

Mr. and Mrs. Louis Slamar, Donald Dix, Joyce and Dorothy Dix left Friday on a motor trip to Niagara Falls.

Mrs. Robert Jensen and son, Jimmie, and Mrs. Robert Patrick and son, Garry, spent Friday afternoon with Mrs. Harold Vandenberg, of Kenosha.

Master Michael Patrick, of Kenosha, spent Thursday afternoon and evening with his grandparents, Mr. and Mrs. Byron Patrick.

Upholstering

Have your worn out living room furniture rebuilt, it will be better than what you can buy now, and cost less.

Samples of covering and estimate on request.

All loose joints will be reglued and all new inside material used.

In a very impressive ceremony at the Presbyterian church at Edgar, Wis., Saturday, June 4, Miss Stella Jane Warden, of Whitewater, became the bride of Milton J. Patrick, of Trevor.

The bride, the daughter of Mrs. Martha Warden, was attired in a mauve colored street length dress with hat to match. Her flower was an orchid. Her only attendant

was Miss Natalie Scherf, who wore an aqua dress and matching hat. Her corsage was carnations and roses. The groom was attended by his brother, Byron Patrick.

Mrs. Meyers, of Edgar, furnished the music for the ceremony. After the wedding dinner was served for the bridal party, at the Wausau hotel. Mr. and Mrs. Patrick will make their home on the farm at Trevor after a brief wedding trip.

Just how high is
"HIGH
COMPRESSION"
?

White sidewall tires, as illustrated,
available at extra cost.

WHEN the talk turns to cars and car engines these days, that's a topic you hear much about.

So it's fairly interesting to note that, even back before the war, Buick engines like this one were touring the testing grounds with compressions as high as 10 to 1.

Even later than that this same big Buick power plant has been filling our engineers' notebooks with data on 8 to 1 compression ratios.

What has come out of this? Two or three interesting points.

First of all, that this big Buick Fireball valve-in-head straight-eight already has a compression ratio that

gets as much out of present fuels as any engine on the market.

Next, that these ratios can readily be stepped up to fit higher octane gasolines as they become available.

And probably most important of all, that high compression is only one measurement of a good engine.

There's the fundamental matter of engine efficiency—power output per cubic inch of displacement, engineers call it. On that score, Buick stands where it always has—just about tops in its field!

Which means, in very simple words—better go see for yourself.

The fun you get from your car—the pleasure and satisfaction it gives you—are best measured in just one place—behind the wheel.

So we invite you to see your Buick dealer for a firsthand test of Buick. Take it in your own two hands and find out how good it feels, how full of get-up-and-go.

It won't take long to make it pretty clear that the place to get your order in is the place where you get Buick power.

MORE CLEARLY THAN EVER
"Buick's the Buy"

When better automobiles are built BUICK will build them

For Small Home Owners
It is a good idea for the small home owner to use some apple or cherry trees instead of the usual shade trees around his house. He can scatter two or three peach trees in the shrubby border. He can train red-raspberry bushes on his fence, mulch them with straw and set out strawberry plants at their base, for an attractive, fine, yielding boundary.

Attention, California
Snowfall was recorded in Florida in 1774.

Sylvester Says:

"100 years is a long time to wait for a house, but by building 500,000 public housing units per year it would take the government 100 years to place every 'low-income' American family in government public housing."

The average earnings of families now living in public "subsidized" housing is \$2,200. There are approximately 20 million American families with incomes no higher than that.

On the basis of \$2,200 a year income, more than half the families in the U. S. qualify for a home in a government housing unit.

But most American families haven't learned how helpless they are, for, according to U. S. Census figures, over one-half of our families with incomes below \$1,000 per year already own their own homes.

McCanns to be Honored with Open House on Silver Wedding Date

The children of Mr. and Mrs. Robert McCann of Lake Villa will entertain from 2 to 6 and from 7:30 to 9 p. m. Sunday at the McCann home at open house in celebration of the silver wedding anniversary of their parents.

Mrs. McCann was the former Mary Sheehan, daughter of Mr. and Mrs. Eugene Sheehan formerly of Loon Lake, now residing in Gurnee.

Both Mr. and Mrs. McCann are life time residents of the Loon lake area.

BABY SHOWER GIVEN FOR MRS. GEORGE PATY FRIDAY

A baby shower was given at the home of Mrs. Ted Smith, of Channel lake for her daughter, Mrs. George Paty Friday evening, June 10th. Hostess of the evening were Mrs. Edgar Whalen assisted by Mrs. J. W. Woods also Mrs. Paty's sister, Mrs. F. McDowell and Mrs. Bob Smith.

Cards and bunco were played after which a very delicious luncheon was served.

Guests present were Mrs. Kopriva, Mrs. Howard Smith, Mrs. Wm. Rosing, Mrs. Owen O'Malley, Mrs. O. Romke, B. Arrid, A. Arrid, G. Dillon, Mrs. Russell Smith, Mrs. Harry Smith, Anne Keains, R. Hites, Mrs. Harry Beckman, Mrs. Joseph Paty, Mrs. Wohlfel, Mrs. Winch, Mrs. Maloney, Marylin Maloney, Pearl Nelson, Mrs. Settle, Grandma Dolson, Mrs. Wm. Molter, Mrs. Furlan, Jr., Mrs. Pearl Buck, Mrs. Harold Klwin, Mary Baldwin, Veronica Glennon.

Mrs. Paty received over a hundred beautiful gifts for the new comer including a gorgeous layette, crib and bassinett and many beautiful flowers. All enjoyed a very delightful evening.

LAKESIDE REBEKAH LODGE HONORS OLDER MEMBERS

The Lakeside Rebekah lodge met Wednesday evening. After a business meeting a history of the lodge was instituted, it covered a period beginning January 10, 1902, up till the present date.

The history was given by District president, Goldie Stillson in part reading, other parts were read by members. As part of the history a mock marriage was performed depicting the marriage of Carolyn Osmond and John Horan.

After the history, eight members were escorted and presented with jewelry by Lillian Hand. Those honored were Mrs. Osmond, 45 year member; Mary Runyard, 45 years; Jess Runyard 40 years; Deborah Van Patten, Edna Drom, Nelson Drom and Hilda Petersen, all 25 year members and Carolyn Horan, 20 year member. Maud Johnson, 25 year and Sophia Hennings, 30 year members will receive pins later.

There were visitors from Libertyville, and Chicago.

The committee serving refreshments were Mrs. Rena Clark, Cecilia Skiff, Velma Jackson and Tillie Miller.

SURPRISE PRESIDENT ON BIRTHDAY ANNIVERSARY

Members of President George B. Bartlett's family and a number of guests gathered at his home at a surprise party Sunday, June 12, in celebrating his seventy-sixth birthday anniversary. There were guests from Villa Park, Elmhurst, Venetian Village, McHenry and Antioch.

COMBINED SERVICE FOR LUTHERAN CHURCHES

The Peace Lutheran church will have a combined service of the Antioch and Wilmet congregations at Fox River Park at 11 a. m. (DST) Sunday, June 26. There will be a pot luck dinner at noon for the entire congregation and Sunday school. The event marks the closing of the Sunday school for the summer and there will be no regular service in either Antioch or Wilmet on that date.

WOMAN'S DAY OF ROCK RIVER CONFERENCE JUNE 23rd

Woman's Day of the Rock River Conference will be held Thursday, June 23, in Waukegan, at the Waukegan Township High school gym.

The morning session will begin at 10 a. m. with Dr. Clarence Tucker Craig as speaker. The afternoon session will begin at 1:15. The program will be furnished by a preachers chorus and the address will be given by Mrs. Charles W. Mead.

Mrs. Good, president of the Antioch Woman's Society urges all members to attend. Those attending are asked to bring a snack sack lunch with them.

Harry Hasty, of Bluff Lake, was taken by ambulance to Victory Memorial hospital Sunday morning. At present he is reported seriously ill.

Mr. and Mrs. Al Swensen attended the church wedding of their nephew, Verle Swensen, and Dorothy Otis, in Milwaukee on Saturday. The newly married couple, after a short honeymoon will live at Camp Lake.

CLUB MEETS WITH MRS. SOMMERVILLE

Mrs. Mollie Sommerville was hostess to her bridge club on Tuesday afternoon. Prizes were awarded to Mrs. S. Simonsen, Mrs. E. O. Hawkins and Mrs. John Brogan.

ANTIOCH ACES MEET THURSDAY

The Antioch Aces met at the Scout Home last Thursday afternoon under the leadership of Mrs. Dewes. There were seven girls present.

Several mothers met with the girls and helped them to cut out their garments. Refreshments were served by Betty Jean McDougall.

MRS. NATHAN BEISER HONORED AT SHOWER

Mrs. Nathan Beiser, of Lake Villa, was honored at a baby shower Sunday at the home of Mrs. Jack Vanderspohl of Libertyville. Dainty refreshments were served by the hostess. Mrs. Beiser received many beautiful gifts.

Friends of Mr. George Petersen, Channel Lake, will be glad to hear of his return from the hospital at Waukegan, last week.

George Swenson, of Rte. 173, is vacationing at the Francis Swenson home at Whitewater, Wis.

Palaskes Tour U.S.A. On Bicycles, Visit His Mother in Antioch

Philip Otto Palaske, a graduate of the Antioch Township High school in 1939, and his wife, the former Audrey Gallagher, of Denver, Colorado, who are touring the United States by bicycle, left for the west yesterday after more than three weeks spent with his mother, Mrs. Julia Palaske of 904 Spafford St.

Now residents of Denver, the two have been on their tour for nine months and have covered 16 states in traveling 6,000 miles. They spent the winter in the south, staying some time at Miami, Fla., where Mrs. Palaske worked at her profession as a graduate nurse and Mr. Palaske a diamond drill operator at whatever he found available whenever he found his trade wanting.

The two started out walking, but found that mode of travel too slow so they purchased lightweight three-speed bicycles. They make about 130 miles a day, but do not hesitate to stop to see unusual sights.

Although headed west at this time they expect to return to the east in the fall and will then go south for the winter. They expect to be on their trip two years. They carry their belonging with them in 40 and 32 pound packets and these include pup tents in which they sleep at night and cooking utensils with which they prepare their meals. Their only expense is food.

Mr. Palaske after leaving school here served in the army air corps and it was while he was stationed at Lowry field, Colorado, that he met Miss Gallagher, who was an enlisted nurse. They were married in Denver three years ago. Desiring to travel and having limited funds they took the cycling method.

METHODIST WILL BEGIN DOUBLE SERVICE SUNDAY

A double service, one at 8 o'clock and the other at 11 o'clock will be observed in the Antioch Methodist church beginning Sunday morning. The early service will be informal and summer visitors are urged to come as they are.

A nursery for small children will be available at both services. At the 8 o'clock service the nursery will be in charge of Misses June and Virginia Petersen. They will be assisted by the young people. The Head Usher for the early service will be Elmer Baethke. Mrs. G. Richard Tuttle will be the organist.

At the 11 o'clock service E. W. Kufalk will be the Head Usher. The soloist this Sunday will be Mr. Warren Heyne, bass, who will sing, "My Pilot." The nursery will be under the direction of Mmes. Sigurd Nielsen and Robert Cary. Mrs. William Dow will be the organist at the second service.

Rev. G. Richard Tuttle, the local minister will bring the message at both services. Visitors are cordially invited.

Church Picnic Postponed

Rained-out by the deluge which descended on Antioch last Tuesday, the All-Church picnic of the Antioch Methodist church was postponed until further notice. A new date for the picnic will be set at the Official Board meeting on Thursday evening.

LADIES OF PETITE LAKE HAVE CARD PARTY

The ladies of Petite Lake Highlands have started their weekly afternoon card and bunco parties. They will be held in the dining room of Karsten's Tavern, rte. 59, 1 o'clock every Thursday. Dessert luncheon will be served.

Tenor Draws Small Crowd

Although he drew a good crowd and gave a pleasing performance when he was in Antioch before, Pruth McFarlin, tenor, had but a small audience at the Methodist church Monday night.

Mrs. Clayton Bartlett, teacher in the Antioch grade school who has her bachelor of science degree in education, will not need to go to college this summer and will remain in Antioch.

Farmers Welcome Rain After Long Dry Spell

Farmers and other residents of the Lake region were happy that the weatherman finally scheduled rain in amounts sufficient to be of help with crops this week.

The condition of most fields was serious due to lack of moisture, and the rains which began Sunday evening and continued through most of Monday and Tuesday, providing about three inches of rain, was a real boon.

The rains also will be certain to lessen the ever-present danger of serious grass fires, with resultant loss of property.

Cardinal Seeks Fare Hike

A hearing before the Illinois Commerce commission will be conducted at 10 a. m. Tuesday, June 28 at the commission's Chicago office at 160 N. LaSalle st., on the petition of Cardinal Lines for an increase in rates. The bus company operates buses from Channel lake through Antioch to Waukegan, and from Fox Lake to Waukegan.

Federal Land Bank Notes Increase in Applications For Farm Loans This Year

John A. Paulsen, of Woodstock, vice president of the National Farm Loan Association of Woodstock, attended a stockholders committee meeting in St. Louis on June 6 and 7. He was elected to this committee in October 1947, at a meeting of the stockholders of the Federal Land Bank of St. Louis, and will serve on this committee for a period of two years. One of the main purposes of the committee meeting was to make plans for the annual stockholders meeting in November.

Paulsen reported, upon his return from the meeting, that the Federal Land Bank is experiencing an increase in applications for new farm mortgage loans. For the state of Illinois, the increase was 17.8 percent over the first quarter of last year. A larger portion of new loans were made for the purpose of refinancing short-term debt and short-term farm mortgage loans.

The National Farm Loan Association of Woodstock is wholly owned by member-borrowers in McHenry and Lake counties.

Fire Experts to Speak

The Lions club will have two Chicago fire prevention experts as its guest speakers at the next meeting June 27, at Mehrling's resort on Lake Marie.

Artis Withdraws Request For State Airport Permit

Through his consent, the application of Bruce Artis for permission to establish an airport west of Antioch has been withdrawn and dismissed without prejudice by the State Department of Aeronautics.

Robert Dewey, director, said that because of the great objection to an airport at this location Artis agreed not to push his request. The board, on the basis of its requirements and principles, would have been obliged to issue Artis the permit as it first did.

County Publishers Have Outing at Lake Friday

The Lake County Publishers association of which this newspaper is a member will have its June outing at the Illinois State Conservation school on Fox lake tomorrow afternoon.

Boone and McHenry newspaper publishers will be present and state legislators of these counties expect to be there.

Conservation Director Schwartz is arranging an interesting program of movies, and a boat trip over the Chain O' Lakes.

Dinner will be at 5 p. m.

Court Rules Blanket Assessment Increase For Townships Valid

County Judge Minard E. Hulse yesterday ruled that the 1947 blanket assessment hike in Warren township was valid. Jack E. Bairstow and Peter Gandy, attorney for the Lake county taxpayers association indicated they may appeal to the supreme court of the state.

Had Judge Hulse ruled the assessment illegal it would have thrown the entire Lake county tax machinery for 1947 and each subsequent year out of gear.

Antioch, Lake Villa, Elia, Cuba, Vernon and Fremont townships which also received blanket value boosts would likewise have been affected.

JIM TO WRESTLE "TWO TON"

"Two Ton" Tony Galento, the famed New Jersey barkeep who floored Joe Louis when he fought him for the heavyweight boxing championship of the world, has been successful as a wrestler and hopes to gain the world's heavyweight wrestling crown. Galento has signed to wrestle Jim McMillen next Saturday night in the Waukegan High school gym. The bout is to be a two out of three fall verdict with a sixty minute time limit.

V.F.W. State Meeting
At Springfield July 15
Will Draw Large Crowd

Veterans of Foreign Wars officials today reported that advance registrations for the 30th annual state VFW convention which opens in Springfield July 15 indicate that the three-day meeting will be the largest convention of overseas veterans ever held in Illinois.

State Commander Henry L. Warner of Maywood predicted that more than 5,000 members of the VFW and the Ladies Auxiliary will attend the convention. The VFW, he pointed out, through its 520 posts in Illinois represents approximately 100,000 of the state's overseas veterans.

Delegates from posts in every part of the state, including those from 17 new VFW posts chartered during the past 10 months, have already sent in registrations for the meeting. Local arrangements for the convention are being handled by a special corporation headed by Francis P. Londrigan, Commander GENERAL CLEAN UP, SICKLE MOWING, LAWN SWEEPING AND LAWN MOWING. Ronald Arndt, Tel. Antioch 203-W-1. (38tn)

of LaFore Lock Post, Springfield. The convention will be opened with a joint session of the VFW and Auxiliary at the Springfield state armory, Friday morning, July 15. Following the opening exercises, delegates from the Auxiliary will adjourn to the Elks club where their sessions will be held.

To stimulate participation of musical organizations in the convention parade and musical competitions, the VFW is offering prize money of more than \$1,000 to competing bands and drum and bugle corps. The musical activities of the convention are being supervised by Burt B. Baustert, 429 George St. Elgin.

Eight Graduates Will
Take Advanced Training

At least eight graduates of the Antioch Township High school this year will take advanced training along some line. Several others are planning to enter school in the fall.

Those for whom transcripts have been made out by Principal T. R. Birkhead, are: Annabelle Barthel, Stevens college; Jane Hunter, Northern Illinois State Teachers college; June Hunter, Nurses training at the Illinois Masonic hospital, Chicago.

Norma Jarnigo, Illinois State Teachers college; Verna Kufalk, Carroll college; Marlene Nader and Joan Smoc, school of Nursing, Evanston hospital; and Robert Simon, University of Illinois.

LAKE VILLA

(Continued from Preceding Page)

the church of the Holy Comforter at Kenilworth in the presence of a large group of friends and relatives. The bride was attractively gowned in white lace and her niece, Joan Pavlik, of Kenilworth, was her bridesmaid. Wm. Peterson, of Lake Villa attended John as best man and Philip Wagner, Jr., was one of the ushers. The young couple left for a ten day honeymoon in Wisconsin and will be at home to their friends at the Meyer home. John is in the carpenter trade and works with his uncle, Herman Meyer, of Libertyville. Our best wishes go with them at this time.

Mrs. William Neitzke, of Spring Road, Poughkeepsie, N. Y., has been a guest of her sister, Mrs. Alice Meyer and Mrs. Meyer expects to go East to spend some time with her sister, who has recently been widowed.

Mr. and Mrs. Verne Sharp and daughters came down from Burlington to attend the wedding of Mrs. Sharp's brothers, John Meyer last Saturday.

We pump Septic tanks, catch basins, cisterns and industrial tanks of any size.

M. Cunningham

Aristocrat of Dogs

Some breeders say the name bloodhound came from the term "blooded," or aristocratic. Others report that it grew out of the old training method of teaching the animal to follow the trail of a wounded deer; then that of a man with deer's blood smeared on his shoes, and finally the "dry foot" of man himself.

The Old Dominion

Virginia's motto is "Thus Ever to Tyrants." The state flower is the dogwood.

Rio de Janeiro

Named for a river that does not exist, the city of Rio de Janeiro is often called, simply, Rio; virtually never called by its full name—Sao Sebastiao do Rio de Janeiro. Spanish discoverers in 1502 mistook the wide bay for the mouth of a river, which they called River of January because they came upon it on January 1.

Gallon of Milk

One dairyman found that it took from 340 to 350 squirts to "take" a gallon of milk from his cows.

Soil Conservation Districts

By July 1, 1948, there were 2,033 soil conservation districts in the 48 states, Hawaii, Puerto Rico, and the Virgin Islands. These comprised 1,114,003,200 acres and included about three-fourths of all the farms and two-thirds of the farmland in the country.

Insect Screens

Stainless steel insect screens are not affected by rust or salt air corrosion.

Undecylenic Acid

Undecylenic acid is a drug which resembles the natural oils of the skin.

Why let summer heat ruin your sleep?

Bring "North Woods" coolness into your home
and sleep in comfort!

Remember the oppressive summer heat of past years, and those hot, humid nights when it was almost impossible to sleep? Sometimes it seemed as if there wasn't a breath of air stirring . . . and no place was hotter than your own apartment or house.

This year you can beat the heat . . . and sleepless summer nights will be a thing of the past. Night cooling by means of fans has been used for many years in the South . . . and this same method is adaptable to Northern Illinois houses and apartments. A night cooling fan is designed to give a complete change of air in a room every 2 minutes, and should not be confused with the ordinary electric fan.

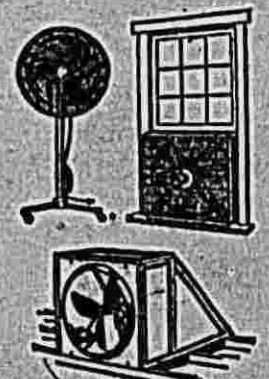

All day during the summer, the roof and walls of a building absorb heat. This

heat is radiated throughout the home, raising the temperature of the air inside the building. After sunset, the temperature outside begins to lower, and often drops as much as 10° to 15° during the night. However, these lower outdoor temperatures do not help you feel cooler inside your home, unless the cooler air is brought into the rooms. A night cooling fan pulls out the "dead" hot air, and it is replaced by the fresh, cool night air from outdoors. A night cooling fan produces a gentle breeze through the rooms, absorbing heat from the walls and ceilings and evaporating perspiration from your skin . . . just like any other breeze.

Don't spend another sleepless night; find out now about night cooling and the comfort it can bring you.

A type for every apartment and house!

These fans come in a variety of styles and sizes . . . a window fan that can be quickly and easily installed in your window . . . or the portable model that can be set up in front of the window, are ideal for apartments. The permanently installed attic type is recommended for home owners.

IN CHINA

Pirates Rob Boat Owners

CANTON, CHINA—Pirates, smugglers, hijackers and black marketeers are flourishing in waters all the way from Southern China up to Korea and Japan.

The sea-going Oriental criminal is a combination of Captain Kidd and the rum-runners and hijackers of American prohibition days. But his tastes are more varied. He'll pirate anything from a boatload of rice to gold bullion.

Until recently, piracy was generally confined to the coast of China, where it has actually been unchecked for a thousand years. But the trade now is extending.

The smuggling trade in the area where the Korean peninsula divides the Japanese and Yellow seas has become so profitable it has attracted armed hijackers. Many smugglers and their boats have just disappeared.

Uses Armed Junk

The Chinese pirate usually uses a junk armed with machine guns and perhaps light cannon. He lives in wait along a network of rivers which carry cargo and passengers to Canton; or he lurks in the bays and inlets on both sides of Hong Kong to the southeast.

In these areas, river junks, tow-boats and motor vessels are attacked almost every day. Few escape looting. Some end up with dead and wounded, and many a Chinese has had to pay ransom to stay out of pirate hands.

Pirates recently fought a two-day air, sea and land battle near Hong Kong.

Thugs were about to board and loot a junk carrying rice when a police launch showed up. The pirates opened up with machine guns and headed for shore. Before long, a flying boat heavy with well-armed police roared to a landing on the river. Then, for two days, the pirates fought off the cops.

Woman Is Survivor

They finally escaped at night, leaving behind one wounded pirate—a woman!

The sea-going rackets also are increasing 1,500 miles to the northeast, and in many cases authorities there admit they are powerless to control completely the traffic in stolen or smuggled goods, dope and humans.

One Korean smuggler offered to deliver an American car at any spot in Japan for \$10,000 American money. He said the car would come from China and guaranteed it would arrive in first class condition.

Navy Picks Tinian as Site Of Proposed Leper Colony

PEARL HARBOR.—The island of Tinian in the Marshall Islands, wartime base for B-29 atomic bombing missions against Hiroshima and Nagasaki, has been selected by the navy as the site of a proposed leper colony for Pacific island natives, Admiral DeWitt C. Ramsey, commander-in-chief of the Pacific fleet, announced.

Tinian, which is 110 miles north of the Guam naval base, was selected because of its proximity to the center of logistics support for the western Pacific area, Admiral Ramsey said. The island is inhabited at present by 275 persons, and is the site of a commercial farming project. There are no military personnel there. Its area is about 40 square miles.

A hospital ship which has been converted into a floating medical laboratory for an extended medical survey of natives in Pacific trust territory will minister to the needs of 50,000 Pacific island natives under naval administration. While making the survey in the Marshalls, Marianas and Carolinas, the medical staff will locate all lepers in need of treatment. These will be transported to Tinian, where medical facilities will be set up and navy medical men assigned.

"I feel that medical care of the natives is one of the most important things the United States can do in carrying out its trust territory mandate," Admiral Ramsey explained. "Healthy people mean happy people."

Holdup Victim Arranges Trap For Robbers; Cops Arrest Him

CHICAGO.—Howard Hill told the two teen-aged youths who stopped him at the entrance to an alley that he had only \$5.

"Maybe we ought to kill him," murmured one.

"Take it easy," Hill went on, "and I'll see that you get a couple of hundred bucks."

He told the youths to come to his tobacco store for the money.

They let Hill go. He told Englewood police and three detectives hid in the store.

The next day the two boys walked in and asked for the money. They were arrested promptly and identified as Ralph Bartleman, 18, and Daniel Jangalis, 17.

They admitted accosting Hill and robbing him of the \$5 and a pistol. Hill thanked the officers for their co-operation. The policemen accepted the thanks and then arrested Hill.

He was accused of carrying a gun without a permit.

Scheme Lands Man in Jail

GLOUCESTER, MASS.—A 30-year-old Providence, R. I., man tried to play a "daily double" at the expense of Western Union, but instead of paying off, it landed him in a police cell.

First, the man went to the local Western Union office, deposited \$2,500 cash and ordered it wired to a "William Taylor" in Springfield. That night he broke into the same office and rifled the safe, but it contained only \$200, his \$2,500 having been hidden elsewhere.

Next day the man appeared at Western Union in Springfield, identified himself as "William Taylor," and tried to collect the \$2,500 he had wired. However, police had been tipped off and he was arrested.

Police said the man had hoped to regain his \$2,500 from the Western Union safe, then hurry to Springfield and collect the \$2,500 he had wired to "William Taylor."

English Artist Said Cats He Drew Caused His Doom

LONDON.—Millions of people have heard of Britain's Louis Wain. Not so many years ago his drawings of cats were famous the world over. Children and adults alike waited eagerly week by week for his next batch of pictures. There were Louis Wain annuals, Louis Wain calendars, Louis Wain tablecloths, towels, toys, cushions and chair covers.

Louis Wain was the Walt Disney of grandma's day—with a difference. Each and every one of his pictures showed cats, grave or gay, skittish or serious, young cats and old. With the adventures of a family of cats Louis Wain started the first strip cartoon.

He earned thousands of dollars a week for each new cat adventure. Yet 25 years have passed since Wain disappeared abruptly from public life.

Many of his admirers imagined him dead. Louis Wain drawings were still offered to editors but were no longer so freely accepted, for, instead of being playfully impudent, some of the new cats were devilish and horrifying. Gradually even these offerings ceased and soon nearly all Louis Wain's new drawings were seized by a doctor and destroyed.

Until his tragic death in the war years, Wain was confined in a mental home and in his lucid moments he said the cats had accursed him.

The ancient Egyptians revered cats as supernatural beings.

"Piggy-Back" Rocket Developed by U. S. Navy

WASHINGTON.—The navy has developed a large piggy-back rocket for launching guided missiles at speeds faster than sound.

The navy said the rocket, believed to be the largest of its type ever built, solved the problem of how to get guided missiles up to the high speeds at which they operate most efficiently.

The navy's only reference to the rocket's tremendous speed was a terse statement that it is "high in the supersonic range." Sound travels at about 750 miles an hour at sea level.

The rocket was designed for the navy's "Bumblebee" missiles program, which involves the development of missiles for firing from the ground and from aircraft.

The rocket, which already has been flown successfully at the naval ordnance test center at Inyokern, Cal., is designed to carry faster-than-sound missiles, such as those powered by ramjet engines, on its back.

At take-off the rocket provides nearly all the power, exerting a push "considerably in excess" of the 75,000-pound thrust developed by the Nazi V-2 rocket.

As speed builds up into the supersonic range, the ramjet cuts in. The rocket finally falls away to earth and the ramjet continues to its target.

Carrier Pigeon Hero Of World War II Dies

FORT MONMOUTH, N. J.—One of the outstanding carrier pigeon heroes of World War II died at the signal corps pigeon breeding and training center at Fort Monmouth where he had been living in retirement.

The bird was officially listed as Blackie Halligan. During the height of the campaign of Guadalcanal Blackie returned from a mission badly wounded by Japanese flak but carrying a message from a 164th infantry patrol that resulted in the extermination of 300 enemy troops. Blackie, with a long list of other successful missions in the Southwest Pacific, was cited by Gen. Alexander Patch, American division commander, and later decorated.

The bird was hatched at Fort Monmouth in 1942. Last year he fathered three young birds and these are now being trained by Otto Meyer, chief of the pigeon center.

Canning of Milk

The idea of preserving milk by concentrating it and heating it in sealed cans was brought to this country from Switzerland. Evaporated milk was first prepared commercially in the little country town of Highland, Ill., in 1885. It was only after several years of struggle and experiment that evaporated milk became a commercial success.

Postage Stamps

Railroads have been a favorite subject for postage stamp designers since the iron horse took over from the pony express, which also was depicted on a stamp. More than 65 countries have issued postage stamps picturing locomotives and trains, bridges, tunnels, tracks, mail cars, and other railroad equipment.

Need of Protein

Everybody needs protein every day for building and repairing body tissues. People whose bodies are building tissues rapidly—expectant mothers, nursing mothers, growing children—need to eat more protein feed every day than other members of the family do.

Acreage Goals

The 1949 national acreage goals for corn, oats, and soybeans are substantially the same as the 1948 goals.

"Gold" in Carrots
Gold color of carrots is due to carotene. Our bodies convert carotene in part to Vitamin A, the vitamin which promotes growth and builds up the body's resistance to infections in the nose, throat and eyes.

Uncle Sam Says

Everyone will have a part in the U. S. Savings Bonds great "Opportunity Drive" May 16-June 30. The armed forces are responding to the call for volunteer assistance by offering to fly a number of covered wagons to Independence, Mo., for a big ceremony marking opening of the drive. They will then transport the wagons to various States. The covered wagons typify the difference between the terrible hardships the original 49ers went through in their search for riches and security and how easy it is for the modern 49er to build for a secure future. Today you are given the opportunity to invest in U. S. Savings Bonds—the easy way to pile up riches. In ten short years you will receive \$100 for every \$75 invested.

Open Friday evening until 9

To Boil Carrots
Use almost no water for boiling carrots—about one inch in the bottom of a pan with a tight fitting cover. Add one-half teaspoon salt for each pound of carrots, or one-half teaspoon salt to each cup of water. Drop carrots into the boiling, salted water. Cover and boil gently—10 to 20 minutes for the cut pieces and 15 to 20 minutes for the whole carrots.

Western Trees
West coast tree species put on their most growth during the second 50 years of their life. After that the volume of new wood added begins to decrease and the volume of decay increases. At the age of 300 years, volume of decay added begins to exceed the volume of new wood and the total volume of good wood in the old tree actually decreases each year.

Annual Appropriation Ordinance

AN ORDINANCE TERMED THE ANNUAL APPROPRIATION BILL IN AND BY WHICH THE CORPORATE AUTHORITIES DO APPROPRIATE SUCH SUM OR SUMS OF MONEY WHICH MAY BE DEEMED NECESSARY TO DEFRAY ALL NECESSARY EXPENSES AND LIABILITIES OF THE VILLAGE OF ANTIOCH, LAKE COUNTY, ILLINOIS, FOR THE FISCAL YEAR BEGINNING THE FIRST DAY OF MAY, A. Two base hits, Walden 2. Home runs, Wedelstedt, Palenski. Double plays, Shank to Fox. Bases on balls off Bushung 4. Kolmos 2. Struck out by Bushung 9; Kolmos 4. Umpires Nelson and Paynic.

Miller's Corner 6, Antioch 3
Thursday evening the V. F. W. received their third defeat of the season as the Miller's Corner aggregation came out on the long end of a 6-3 score. For Antioch it was a case of erratic fielding coupled with impotent bats at crucial spots. Both teams banged out eight hits but in the clutch Antioch could not solve the curve ball stunts of youthful Gordon Miller.

Antioch Student Awarded Prize in Art Contest

Sixteen young artists from three art institutions, the Layton school of Arts, the art division of Milwaukee State Teachers college, and Milwaukee-Downer college, received awards for their paintings of carnations in a contest sponsored by The American Carnation Society and the Gimbel Stores.

Nine received prizes of from \$50 to \$100. Seven entrants received honorable mention and their paintings were purchased for \$15.

June Ann Kuttil, a recent graduate of Milwaukee-Downer, and daughter of Mr. and Mrs. Clarence Kuttil of North Ave., was mentioned at the top of the honorable mention groups.

The prize paintings will be exhibited at the 1950 convention of the American Carnation Society which will be held at Milwaukee, March 6 and 7.

Gun Club Sees Sports Movies

Members of the Antioch Gun club enjoyed sound movies on subjects concerning sport shooting at the last regular meeting. The meeting was held at the room at 899 Main street, through the courtesy of Ben Haviland, B. C. Thompson furnished the projector and the films, the machine was operated by Larry Thompson.

A special event will be held at the shoot at the club range this coming Sunday. All members are urged to be present.

Antioch Methodists....

(Continued from page 1)
delegates are Mrs. Drucilla Ferris and Mr. M. C. Cain. Mr. G. Richard Tuttle, the local minister, will be in attendance.

Next Wednesday evening, the opening night of the Conference 15 members of the Antioch choir will join nearly 200 other singers in the presentation of two anthems, "Almighty God of Our Fathers," and "Holy, Holy, Holy." Mr. Charles B. Watson is the director of the local choir.

Bishop Ledden to Speak
On Wednesday evening Bishop W. Earl Ledden of Syracuse, New York, will be the guest speaker. He will speak on, "One World, Whose?" The service will be held in the Waukegan Township High school on Washington St.

The Thursday evening speaker will be Dr. Bernard C. Clausen, pastor of the Euclid Ave. Baptist Church, Cleveland, Ohio. His subject will be, "How to Succeed in Failing." The Waukegan Community chorus will present the music for the evening.

The Friday evening speaker will be Dr. Clark Kuebler, president of Ripon College, Wis. Dr. Kuebler will speak on the subject, "Ye Shall Be My Witnesses." Bruce Foote, noted radio and concert artist will be the featured soloist.

Women Have Meeting
The women's sessions will be held on Thursday in the high school. Dr. Clarence Tucker Craig of the Divinity School of Yale University will be the speaker. Dr. Craig will speak each afternoon at the Conference. His subject will be, "Vital Aspects of Our Faith."

Laymen's Day will be observed on Friday. Dr. James V. Claypool will be the guest speaker at the Laymen's dinner on Friday evening at the Zion Hotel in Zion. Dr. Claypool is author of one of the best known books coming out of World War II, "God on a Battle Wagon."

Bishop J. Ralph Magee, Bishop of the Chicago Area will preside at all the session. Bishop Magee will give the Sunday sermon at the First Methodist church in Waukegan. The conference will close on Sunday afternoon with the Ordination Service and the reading of Appointments.

Annual Meeting of The First Church of Christ Scientist, at Boston, June 6

Boston, Mass., June 6—Breaking through the crust of ancient beliefs in material power, the postwar world is reaching out in an unprecedented effort for something better upon which to found a union of nations, The Christian Science Board of Directors declared today.

Addressing several thousand Christian Scientists attending the annual meeting of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass., the directors viewed with satisfaction the world wide stir in human consciousness to discard the material for the spiritual.

Physicians, they said, are giving more importance to thought in relation to disease. Natural scientists, they added, are gaining in their recognition of the insubstantiality of matter.

Religious leaders everywhere, they pointed out, have developed a widespread sense of the need and reasonableness of greater and more direct evidences of spiritual power. In various other directions, the directors continued there is, a strong urge to look beyond mere human means for the establishment of stable government.

The Directors' statement and the election of Miss Emma C. Shipman to the Presidency of The Mother Church for the ensuing year sparked an annual meeting filled with reports of marked progress in the Christian Science movement throughout the globe.

If Mary Baker Eddy, Discoverer and Founder of Christian Science, were here today, according to the new President, "she would see the signs of growth she most desired"—signs that stem from what Miss Shipman described as "a more steadfast consciousness of the all-power and all-presence of God."

This consciousness was seen by the Directors of the Church as rapidly spreading throughout the postwar world, where "beliefs long accepted are being questioned and discarded as never before."

"Not only the general stir in human consciousness but definite, basic changes of concept in the major fields of science, theology, and medicine" were said by the Directors.

tors to have contributed to a growing respect for Christian Science and the spiritual healing for which it stands.

"These are the three measures of meal to which Mrs. Eddy referred, science, theology, and medicine—and certainly great changes have been going on in all of them."

"The changes plainly represent a yielding of human thought in some measure to Truth, as revealed by Mrs. Eddy, and they have undoubtedly created in many quarters new and more favorable attitudes toward her teaching."

Rodeo at Grayslake to Raise Money for Park

Grayslake—Seeking funds to buy a park, a three-day rodeo is planned for Grayslake over the July 4 weekend. The event, under the chairmanship of George Rockenbach, will be held near Rte. 120 east of the junction of Rtes. 21 and 83.

Groups sponsoring the rodeo expect to purchase the park adjoining the lake without any need for taxation. Funds from other events also will be used. Organizations backing the project include: American Legion, 4-H clubs, Couples club, Woman's club, Legion auxiliary, Catholic Order of Foresters, Lions club, fire department, Lake County Home bureau.

Room To Park
There will be ample parking facilities and Grayslake police, deputy sheriffs and state police will

supervise traffic on and near the grounds.

Concessions, refreshment stands, entertainment and other projects will be provided so that all who attend will not find "anything" missing.

Plans for the community-owned recreation area were drafted at a recent meeting at which Mrs. William Morrison and William Walton were co-chairmen.

The rodeo is expected to draw top performers from western states. A large crowd is expected to attend.

Hunting for Low Food Prices?—A&P Has 'em!

Customers' Corner

Please don't keep your complaints about either the food or service you get in A&P stores to yourself. Tell them to us!

We know that most people are not letter-writers. If something doesn't please them about a store they simply take their trade elsewhere.

We don't want that ever to happen in our stores.

The men and women of A&P try to give you always the best food, the best values and the best service.

But perhaps we fail you once in a while; and in any case there is always room for improvement.

You will be helping us make your A&P store a better place to shop if you will let us have your complaints and suggestions. Please write:
